In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. DOMINION ORDERS IN COUNCIL.

[1519]

AT THE GOVERNMENT HOUSE AT OTTAWA,
Tuesday, the 30th day of July, 1901.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a report dated 18th July, 1901, from the Minister of the Interior, submitting that by Order in Council, dated 19th January, 1899, the Regulations governing the granting of yearly licences and permits to cut timber in Manitoba, the North-West Territories, and the Railway Belt in the Province of British Columbia, were amended so as to permit the owners of timber berths in the railway belt to sell the timber thereon to mill-owners, the Regulations having previously provided that the timber must be manufactured at the saw-mill of the licensee to be operated in connection with the berth. There is therefore no provision in the Regulations as they exist at present to prevent the exportation of logs cut on Dominion lands in the Railway Belt in the Province of British Columbia.

The Minister therefore recommends that the Regulations be again amended so as to provide that all timber cut on berths in the Railway Belt in British Columbia shall be manufactured within the limits of the Dominion.

The Committee submit the same for His Excellency's approval.

JOHN J. MCGEE,
Clerk of the Privy Council.
